Plaintiffs

-vs-

Steve Campbell and TranzGas Inc.

Defendants

**DEFENDANTS' MOTION # 6 FOR DISMISSAL OF TRANZGAZ INC. DUE TO THE LACK OF CONNECTION TO THE CASE**

Due to the financial hardship caused by the filing of this case by the Plaintiffs, Tranzgaz Inc. has no other option but to rescind the assignment of the "049" patent and return the ownership of the said patent back to the inventor of record, Mr. Steven Campbell. In doing so, it removes any connection of Tranzgaz Inc. to this case. As Tranzgaz was assigned the patent post filing and had nothing to do with the concept development of the said patent, it has no input to offer this honourable court regarding the inventorship. Therefore, Tranzgaz Inc. respectfully requests this court to dismiss it from this case.

Attached is the affidavit of Mr. Desmond McGrath, the Managing Director of Tranzgaz Inc. In this affidavit, Mr. McGrath explains the reasoning for the company's decision to rescind the assignment of the "049" patent in the United States. He has sent a notarized copy directly to the court January 16, 2020.

Also attached is a copy of the resolution of Tranzgaz Inc. to rescind the assignment agreement due to the inability to adhere to the terms of the said agreement and assign the "049" patent back to the sole inventor of record, Mr. Steven Campbell.

Also attached is the receipt from the US Patent and Trademark Office confirming the non-reversible electronic request to assign the said "049" patent back to Mr. Campbell.

**WHEREFORE**, Defendants respectfully request that the Court grant this motion and dismiss Tranzgaz Inc. from this case for want of connection or association to the said "049" patent or the invention of it.

Date: January 16, 2020

Respectfully,  
Steven Clouston Campbell

Respectfully,  
John Desmond McGrath  
Managing Director TranzGas Inc.
